Client Information Page

FIELD SPECIFICATION MATRIX

Field Name	Description & Operational Logic
PAN Number	User types the client's PAN.
Client Name & Category	User chooses **Individual** or **Non-Individual** from a dropdown, selects a prefix (Mr. / Miss), and types the name exactly as shown on the PAN card.
Firm Name	Shows up **only** if "Non-Individual" is selected. User types the company name.
GSTIN Number & Copy	Shows up **only** if "Non-Individual" is selected. User inputs the GST number and uploads a soft copy of the GST certificate.
Email ID	User types the client's email address.
Phone Number 1	Automatically filled in from the uploaded lead details (cannot be edited).
Phone Number 2	Optional second phone number typed by the user. • *Checking Rule:* The system checks the entire database. If this number already belongs to another lead in the system, it blocks the form, shows **"Number is already available"**, and alerts the original lead owner.
Date of Payment	User picks the date from a calendar (must match the payment screenshot).
Service Name	A dropdown list of services created and managed by the Super Admin.
Service Tenure	Options: Demo, 1 month, 2 months, 3 months, 6 months, 9 months, or 12 months.
Transaction Number	User enters up to 5 transaction IDs (at least 1 is compulsory).
Gross Sales (A)	User enters the total amount paid. • *Limit Rule:* Super Admin sets a maximum allowed value. If the user enters an amount higher than this limit, the system blocks it and pops up: **"Kindly contact administrator"** (requires a password to override).
Net Sales (B)	Automatically calculated by the system using the formula: **A ÷ C**. *(The value C is set and password-protected by the Super Admin).*
GST	Automatically calculated by the system using the formula: **A - B**.
Client State	User selects the state based on client address proof.

Validation Rule: All fields displayed on this form are mandatory upon submission unless marked optional. Leaving any required field blank will trigger the standard error prompt: **"Fill details"**.
